

Who is Community Smiles Dental?

Mission

Community Smiles Dental improves the lives of the underserved through oral healthcare services, preventive education, and advocating for systemic healthcare change—because everyone deserves a healthy smile.

Vision

To create a healthier community by improving oral health and ensuring that no one suffers from dental pain.

Funding Needs

Direct Program

The majority of the Community Smiles Dental (CSD) budget goes directly towards the clinical providers required to deliver dental treatment to patients in need. With an ongoing patient waiting list, the capacity to add clinical staff would immediately enable us to help those waiting for care.

General Operating

CSD has long operated with limited staff infrastructure for growth. We currently have a strategic staffing growth plan to address short and long-term sustainability needs. Operating donations will help greatly to bring this model to reality.

Clinical Equipment

CSD owns and operates two full-time dental clinics. Clinical equipment is used extensively each day and experiences regular wear and tear. We have an ongoing capital needs budget and gifts toward clinical equipment allow us to address these needs, ensuring care is provided in a high-quality setting.

Disposable Dental Supplies

Disposable dental supplies are used in each and every appointment. Contributions towards dental supplies help us to keep pace with the considerable supply needs we have to deliver care.

Technology Needs

CSD is regularly challenged by the technology needs of operating a multi-clinic model and the necessary dental software, office software, and technology hardware. We sustain an ongoing list of technology needs that are addressed as funding allows.

More than 125,000 children in the four-county Greater Milwaukee area are enrolled in BadgerCare.

Core Values

Inclusivity

We value diversity, providing the highest quality care to all in our community.

Quality

A simple promise that takes organizational commitment - Offer the best possible clinical care, healthcare technology, and resources.

Community

Our work creates more than healthy smiles, it creates strong lives across our entire community.

Professionalism

We have high expectations for our service, demonstrating "cutting edge" clinical care, customer service, and administrative support in our clinics.

Compassion

We know compassion isn't just caring for the person, it's advocating together to improve the system.

What Your Donation Makes Possible

- \$10,000** • Allows eight young patients to completely finish their treatment plans
- \$5,000** • Provides dental supplies for two weeks of our clinic operations, serving hundreds of those in need
• Helps upgrade necessary operatory equipment
- \$2,500** • Enables two full-days of in-school screenings and sealants for high-risk youth without access to dental care
• Provides needed repairs to regularly used clinical equipment
- \$1,000** • Funds an oral health screening and repair for a low-income senior citizen in need of emergency assistance.
• Provides complete restorative dental care for one child
- \$600** • Funds the full cost of one patient's routine care for a year
- \$500** • Enables 10 patients to receive preventative dental care
• Provides routine care and a care bag for a low-income pregnant mom
- \$250** • Helps us reinforce healthy oral habits for 50 children by providing kid-friendly educational materials
• Provides all necessary care for one patient's restorative appointment
- \$100** • Pays for sealants for five children, helping to fight decay for kids who are still learning to develop healthy oral habits
• Helps purchase disposable dental supplies for 10 patients
• Provides all necessary Personal Protective Equipment for one day of clinical care at a CSD site
- \$50** • Supports a basic teeth cleaning for a low-income patient
- \$15** • Covers the cost of disposable dental supplies for one appointment
