

Community Smiles Dental (CSD) is a 501(c)(3) non-profit that improves the lives of the underserved through oral healthcare services, preventive education, and advocating for systemic healthcare change – Because everyone deserves a healthy smile.

The core of our work is serving low-income youth, who represent 85% of our patient base. Additional care focuses on low-income pregnant women, special needs patients, and medically-fragile adults. We own and operate two free-standing dental clinics in Waukesha and Menomonee Falls and serve patients from Milwaukee, Ozaukee, Washington, and Waukesha Counties. Annually, 6,000 patients utilize CSD as their dental home.

All event proceeds directly support accessible and quality dental care for low-income patients.
