

Community Smiles Dental is a 501(c)(3) non-profit that improves the lives of the underserved through oral healthcare services, preventive education, and advocating for systemic healthcare change – because everyone deserves a healthy smile. The core of our work is serving low-income youth who represent more than 88% of our patient base. Additional care focuses on low-income pregnant women, special needs patients, and medically-fragile adults. We own and operate two dental clinics in Waukesha and Menomonee Falls, serving Milwaukee, Ozaukee, Washington and Waukesha Counties.
